Rev. D. J. Blocker is attending the State Convention of the B. Y. P. U. this week at Lake City.

There will be an ice cream social at the Presbyterian manse this evening, to which the public is invited.

Dr. Hulley will lecture this year at the State Teachers Summer School in Mississippi, before the Middle Tennessee Teachers Association, and at the Summer School of the South in Knoxville.

Misses Hilda Kruse and Laura Moore are delegates to the State B. Y. P. U. Convention which is in session at Lake City this week.

Jack and Pat Sams came over from New Smyrna in their new auto Tuesday. They report the road in fair condition.

Rev. and Mrs. U. S. Tabor, Evangelist and Mrs. Cecil and Mrs. W. C. Watts are attending the district conference of the East Coast District at Enterprise this week.

We wish to thank our regular patrons and all those who by their generous patronage made our recent rebuilding sale such a phenomenal success. G. A. Dreka & Co.

Representative Macon Thornton of Volusia county spent a few hours in Jacksonville yesterday on his way home from the State capital.—Times-Union, Sunday.

Dr. L. B. Bouchelle, D. Perkins Smith and J. P. Turner, prominent citizens of thriving and hustling little New Smyrna, were shaking hands with their many DeLand friends this week.

Miss Ethel Bouchelle has been elected by the local League as delegate to the Florida State Epworth League Conference, which meets with Grace Methodist church, DeLand, June 22-25. Miss Lisle Sauls is delegate from the Juniors.

While being loaded with gasoline on Monday, the building west of town belonging to the Gulf Refining Company crushed through the wooden blocks, and quietly settled on the ground. The contents were not injured.

Mr. Gould will keep the Gem Electric Theatre open all summer if it just pays running expenses. DeLand Rebekah Lodge, No. 10, had charge of the theatre yesterday afternoon and evening, and had it full, too.

Mr. "Pat" Sams, of New Smyrna, visited friends in DeLand over Sunday.

Hon. James E. Alexander returned from Tallahassee on Sunday. "Jeems" made a creditable record as a representative and has been receiving the congratulations of the people all week.

Frank Turnquist is just completing a handsome 18 foot launch, which he has been building in the Stetson University wood-working shop. It is built of pine, round bottom, with copper nails and screws. He will install the engine in a few days. J. J. Tillis is also completing a 20-foot V-shaped boat, to be equipped with engine. When launched in Lake Beresford, these boats will make 15 anchored there. DeLand people have been very slow to take advantage of the fine lakes and the river so near to us, but within a few years, if the present ambition continues, most of the kids around town will be web-footed.

Buy your Staple and Fancy Groceries at Dreka's Department Store. Everything the Best.

Mr. E. J. Marquis, of Jacksonville, representing the Gulf Refining Company, spent Tuesday and Wednesday in DeLand.

"Pete" Allen left this week to join the Bartow ball team. He will play with the Bartow crowd in the South Florida League.

DeLand Rebekah Lodge, No. 10, will give an ice cream social and dance at Haynes Hall next Friday night, June 18, to which all are invited.

Mr. and Mrs. N. S. Lindstrom entertained a number of the young friends of their son Curtis on last Friday evening, the occasion being his birthday.

O. J. Hill was shaking hands with DeLand friends yesterday. Mr. Hill has raised a fine crop of onions on his place near St. Francis and brought several bushels to the DeLand market yesterday.

The Beresford flotilla now consists of thirteen launches, mostly owned by DeLand and Lake Helen people. Six of them are kept in the boathouse, filling it to its capacity. A picture of the thirteen launches would make a good page for the new DeLand booklet.

J. Will McCormick bought a Premier auto in Jacksonville this week. He made the trip from Jacksonville by road, coming via St. Augustine and Daytona. The trip from Jacksonville was made in 51 hours actual running time, which is said to be record time between Jacksonville and DeLand.

On June 22-25 the State Epworth League Conference of the Methodist Episcopal Church, South, will meet with Grace Church, DeLand. There will probably be between 125 and 150 delegates and visitors from all over the State at this conference, and the various local committees are busy arranging for their reception and entertainment. All persons interested in the work will be welcomed and entertained in the hospitable manner for which DeLand is noted. Mrs. J. Lee McRory, chairman of the Committee on Homes, will gladly make any special arrangements for entertainment if notified by prospective visitors or entertainers. R. E. Goodman, president of the local League, Miss Ethel Bouchelle, acting secretary, Miss Margaret Watts, treasurer, and Miss Frances Bouchelle, chairman of the Reception Committee, are ready to render—or receive—any assistance or information desired, in their respective departments. 22

New Post Cards—4th of July, Comics, Fancy and Cuban cards at Reeve & Howard's.

Mr. James A. Allen returned last night from a trip to the middle West. It was announced on the street this morning that "Gus" had brought Mrs. Allen home with him—but the announcement was a little previous. There is no "Mrs. Gus Allen" yet. But Mr. Allen is going again before long.

Mrs. Stith, who has been visiting her daughters, Mrs. W. C. Watts and Mrs. S. A. Wood, and her son, Mr. Jesse Stith, returned to Atlanta Monday, accompanied by Mrs. Walker and little daughter. After a few days in Atlanta they will go to Kentucky for the summer.

Mr. Clifford B. Rosa leaves on Saturday for Philadelphia, where he will spend the summer soliciting for a business college. Mrs. Rosa and the boy will accompany him as far as Jacksonville, stopping there some time for a visit to Mrs. Rosa's mother and sister, Mrs. and Miss Tawney.

A. S. J. Marsh, of Osteen, was in DeLand on business Monday. Mr. Marsh states that he is gradually getting out of the cattle business and going into the raising of sheep. He now has about 1600 head of sheep on the range. He states that car dogs do a great amount of harm, killing off many sheep every year.

We are informed that Col. D. B. Paxton, of DeLand, will in the near future, move the store building occupied by H. S. Walker, and build a modern brick business building on the site. It is one of the best corners in town, and the erection of such a building will be a good investment for the owner and a good thing for the town.—New Smyrna Bee.

W. H. Cozene, superintendent of the Orange City Water-works, was a pleasant caller at THE NEWS office yesterday. Mr. Cozene was questioned about the operation of their plant by the gas engine, recently installed by Scott Hodgkins of DeLand, and he replied that it was working splendidly. Mr. Cozene stated that the engine pumped about 22,000 gallons of water an hour, using about two gallons of gasoline per hour. The city authorities of DeLand should investigate this matter, and find out if they cannot pump water cheaper by gas engine or dynamo than by coal fuel.

5 or 6 doses "666" will cure any case of Chills and Fever. Price 25c.

Souvenirs at Allen's Drug Store, Post-Office Block.

The News Publishing Company is getting out a booklet of DeLand. It will consist of 16 pages and cover. There will be eight pages of halftones, printed on fine enamel paper, and eight pages of reading matter. On the inside of the back cover will appear one adv. of a DeLand business house. There will be only one advertisement in each book. We are now securing photographs, and will have nearly all new halftones that have never before appeared in a DeLand booklet. The representative of The News Publishing Company will call upon all the business men and give them an opportunity to secure a number of the booklets to present or send to their patrons and friends. The booklet will be 31 by 64 inches—just large enough to fit into a common size envelope. The DeLand Business League is entirely out of literature, is constantly receiving applications for information about DeLand, and work on the first lot of these booklets will be rushed to supply the present demand.
